

**KINGSGROVE**  
W A N T A G E

## COVID-19

During this difficult time, we're putting the health and wellbeing of our homebuyers, homeowners, contractors and our people first, and in doing so, we want to make sure that we can help as many people as possible remain safely in their homes.

### **To St. Modwen Homes, CALA, and Bellway homebuyers**

All construction work across the Kingsgrove development has been paused, and the site has been closed down safely and securely. For the time being, St. Modwen Homes, Bellway and CALA have closed their Marketing Suites and Showhomes at Kingsgrove.

We know this may impact some of you in the next few weeks and months. However, please be assured that each housebuilder's Sales Consultants will still be on hand to support you in your home buying journey by telephone, email and if you prefer – video call, they're here for you whatever may happen.

Follow the links under 'Homes' where you can find contact information for each housebuilder.

### **To St. Modwen Homes residents**

St. Modwen Homes has made the difficult decision that as of 24 March the front line Customer Service teams will not be visiting customers in their homes. However, Customer Service teams are still available and can be reached on 01173 167770 for homeowners in Kingsgrove.

In the unlikely event that you have an emergency within your home, both St. Modwen Homes and its contractors are committed to ensuring this is acted upon swiftly and with minimum disruption. If you need to report anything out of hours, the Emergency Response Centre can be contacted on 0845 307 4894 and will be happy to help.

For any other queries or concerns, please contact [info@kingsgrovewantage.co.uk](mailto:info@kingsgrovewantage.co.uk)

Please take care of yourselves and each other, and if you need us, we're here. We look forward to seeing you soon.
