**29 MAY - 13 JUNE 2021**

We've created the Kingsgrove Bingo to help you get out and about in your neighbourhood over the next couple of weeks. Try and tick off as many of the activities below in the most fun way possible - there's prizes to be won for the most creative and interesting entries!

**1.** Find some wildlife in your garden or nearby and identify it then take a photo or draw it

**2.** Take a walk or a cycle somewhere and draw a map of your journey

**3.** Find the Oak tree on Kingsgrove development and take a photo of you or a teddy next to it

**4.** Say 'Hello' to a neighbour

*hello*

(be covid-safe and take a photo if your neighbour agrees!)

**5.** Find an item that you don't use any more (clothes, toys, electricals...) and recycle it

**6.** Visit a place that you haven't been to before in Wantage (a shop, museum, park...) and take a photo

**7.** Make a piece of art out of found natural objects (leaves, sticks...) and gift it to a friend or family member

**8.** Tell us what you love most about where you live and why

**9.** There was a famous King who lived in Wantage, find his statue in the Market Place and take an 'arty' photo

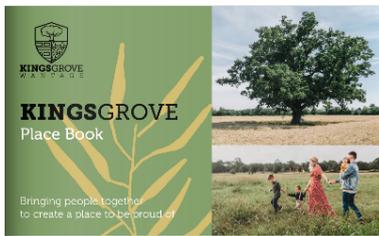

To enter, please submit photos or text on Twitter or Facebook using the hashtag **#KingsgroveBingo** with the activity number. Alternatively email them to [kingsgrovecommunity@southandvale.gov.uk](mailto:kingsgrovecommunity@southandvale.gov.uk). Your entry doesn't need to include a photo of yourself or your child, why not use a teddy instead, or a photo of something you've drawn or written?

Prizes include a £20 shopping voucher, a £10 book voucher from the [Madhatter Bookshop](#) and bike lights from [Ridgeway Cycles](#).

## Help & ideas:

**Kingsgrove Place Book:** A great new resource for residents with information about Kingsgrove and Wantage. You can find it on the [Kingsgrove website](#). Have a look at the map for a hint as to where you can find the oak tree (activity 3) or have a look at the Travel Plan pages for links to walking and cycling routes (activity 2).

**Sustainable Wantage:** They have heaps of great information about how to protect and enhance the natural environment. In particular there is the [Re-use, Repair & Recycle map](#) (activity 5). The [Wild Wantage](#) pages have good information about wildlife (activity 1).

**Love Wantage and Wantage Dot Com:** Two local websites with loads of information about local shops as well as places to visit and things to do (activities 2 & 6). Also check out [Wantage Rocks Facebook Group](#) or [Craft Train](#) for inspiration for activity 7.
