Communal areas

- For any queries regarding communal areas and infrastructure that has been handed over to Kingsgrove's main estate managing agent, working on behalf of the Kingsgrove Management Company, contact Preim:

helpdesk@preim.co.uk - 01778 382210

For communal areas and infrastructure in the Cala area, contact their managing agent Remus:
customerexperience@remus-mgmt.co.uk - 01722 328685

Your home

Each parcel includes roads, verges, pathways, street lights and other associated infrastructure. These areas will be managed by the housebuilder until they are completed and will then be handed over to either your managing agent or adopted by the Council.

For any queries regarding your home or communal areas for your parcel (which have not yet been handed over), email your housebuilder's customer service team.
